BW-CC-1 is:

- Item Number 22 of Reference Figure 3.08 on page 100.

Sonnax now introduces a heavy-duty version front cover **BW-CC-1** for the BW 310mm lock-up found in the Chrysler A618 Cummins Diesel. The strength of this cover is improved by using a one-piece forging with increased thickness in most areas. This part also incorporates a higher register for easy application.
