

**28304-02****GM POWERGLIDE FORWARD CLUTCH HUB****H I G H P E R F O R M A N C E T R A N S M I S S I O N P A R T S****FEATURES & BENEFITS:**

- **Extreme performance design with increased wall thickness and no lightening holes**
- **Made from Chrome-moly steel forging**
- **Pre-hardened for wear resistance and strength**
- **Will accept 10 Alto Red Eagle® thin frictions when used with 28755-01**

**PART SUMMARY**

The **28304-02** is designed for extremely high horsepower applications. The hub is made from a pre-hardened Chrome-moly steel forging. It is taller than the OEM hub and when used with **28755-01** Powerglide drum, will hold up to 10 Alto Red Eagle® thin frictions.

Associated Components:

| | |
|-----------------------|------------------------------------|
| Clutch Drum Bushing | 28005X |
| Clutch Return Spring | 28320 (24 per package) |
| Clutch Drum | 28755-01 |
| Spring Retainer | 28755-02 |
| Retaining Ring, small | 28755-03 (5 per package) |
| Retaining Ring, large | 28755-04 (5 per package) |
| Wear Plate, large | 28755-05 (5 per package) |
| Wear Plate, small | 28755-06 (5 per package) |
| Lip Seal, small | 28755-07 (5 per package) |
| Clutch Piston | 28765-01 |
| Lip Seal, large | 28765-02 (5 per package) |
| Clutch Steels | S019701AK (each, 11 needed) |
| Clutch Frictions | S019740A (each, 10 needed) |
