### FD-O-20

#### Piston Seal

Prepackaged Quantity: 25 Units

Sonnax now offers torque converter rebuilders the direct replacement OEM solid piston seal **FD-O-20** for the late Ford CD4E, 9-1/4" and AX4S/N torque converters. An expansion tool is recommended to install this seal on to the turbine hub. **FD-O-20** now replaces the previously available **FD-O-12** seal.
