

Benefits:

- Replaces OEM bushing
- Steel backed for greater durability
- Unavailable from OEM

Part No.

68004-01

1 Pump Bushing

Part No.

68915-01

1 Pump Stator Rear Bushing

PART SUMMARY

Sonnax has designed the **68915-01** & **68004-01** precision bushings to replace the pump bushing and the pump stator rear bushing in Mercedes and Jaguar units 1996 and up. These bushings are steel backed with a copper alloy bearing surface to provide greater wear resistance.
