HO-N-6 Thrust Bearing

Catalog Reference

Item Number 11 for Honda B7TA/
B7VA/B7YA on page 158 in the Sonnax
Torque Converter Vol. 6 catalog. See
also our online catalog.

Honda B7TA/ B7VA/B7YA

The **HO-WA-1** stator cap has the proper clearance that eliminates the binding caused by the OEM washer's tight clearance. The Sonnax washer also has added oil slots to provide better lubrication for the mating inner stator race.
