

TCC Control Sleeve Assembly

63741-05K

1 Plunger Valve
1 Plunger Sleeve

Note: Fits Nissan, Infinity RE5R05A and Kia A5SR1/A5SR2.

Disassembly Steps

1. Remove OEM sleeve and plunger valve assembly and discard.
2. Keep OEM retainer for re-use.

Installation Steps

1. Insert replacement sleeve/valve assembly into bore, open end first.
2. Make sure OEM spring fits over reduced sleeve diameter.
3. Push into bore far enough to reinstall OEM retainer.

Final Verification Steps

Vacuum testing at the orificed converter apply port should yeild 18" of vacuum or higher.
