### Part Number

**T3-SML-TOOL**

**Centering Tool**

### Specifications

Sonnax now offers **T3-SML-TOOL**, a precision-machined centering tool for use with Sonnax 3", 3-1/2", 4" and 5" weld yokes. This tool allows the driveshaft builder to easily mount Sonnax weld yokes on a lathe to machine the tube pilot diameter to fit odd tubing sizes.
