TORQUE CONVERTER PARTS CATALOG VOLUME 6

AL-90-2G is:

Item Number 2 of Reference Figure 1.09 on page 40.

Sonnax now offers the **AL-90-2G** heavy-duty impeller hub for Allison 1000/2000/2400 series applications. The journal diameter incorporates a super-hard surface band for increased durability. This flanged hub gives converter rebuilders another option when rebuilding heavy-duty Allison torque converters.
