### Standard Length Studs (.650") for All Ford Billet Front Covers

Sonnax will be standardizing the stud length on all Ford billet front covers. Some part numbers will be changed slightly as referenced below. Pictured below are details showing the earlier short stud (.538"), long stud (.838") and the new, universal length stud (.650"). These universal stud length covers can be used in both gas and diesel applications.

PART NUMBER	DESCRIPTION
<b>FD-CC-11</b>	E4OD 6-Stud (Replaces <b>FD-CC-11S</b> )
<b>FD-CC-12</b>	E4OD 4-Stud (Replaces <b>FD-CC-12D</b> and <b>FD-CC-12G</b> )
<b>FD-CC-17S</b>	E4OD, 4R100 Grob, 6-Stud
<b>FD-CC-17L4</b>	E4OD, 4R100 Grob, 4-Stud
<b>FD-CC-19R</b>	AODE, 4R70W, 12", Reaction Surface Finish, 4-Stud
<b>FD-CC-20R</b>	AODE, 4R70W, 11-1/4", Reaction Surface Finish, 4-Stud
<b>FD-CC-21S</b>	5R110W, Grob, 6-Stud
