Features & Benefits:

- **Unavailable from OEM separately**
- **Saves purchasing costly pump**

Part No.

96928-01

1 Pump slide

PART SUMMARY

The Sonnax pump slide is a direct OEM replacement.

INSTRUCTIONS:

Inspect the pump slide pivot for wear. Remove worn slide and install the new pump slide (pump slide clearance should be .0005" - .0015"). Sonnax also recommends replacing the o-ring and seal that can be found in most standard overhaul kits.
