BW-WP2-OE is:

- Item No. 12 of Ref. Figure 3.07 on page 108

BW-WP2-OE is a replacement for the plastic thrust spacer in Borg Warner 310mm, Chrysler A618 converters as used in Dodge trucks with V10 gas or Cummins diesel engines. **BW-WP2-OE** is molded from the same high performance Phenolic resin as the OEM stator cap. This plastic washer provides rebuilders with a replacement option.
