**FS-CP-1C is:**

Item Number 28 of Reference Figure 4.01 on page 144.

Sonnax **FS-CP-1C** is a drop-in upgrade to the OEM clutch plate for late-model BMW converters with Fichtel & Sachs ZF5HP30 RWD 5-speed transmissions. The carbon composite friction rings reduce damaging heat, adding longevity to the converter and transmission.

**Note:** FS-CP-1C replaces FS-CP-1HC carbon version, which is no longer available.
