

HDNB0042

BIG TWIN FULL COMPLEMENT CAM BEARING

HARLEY-DAVIDSON®

Applications:

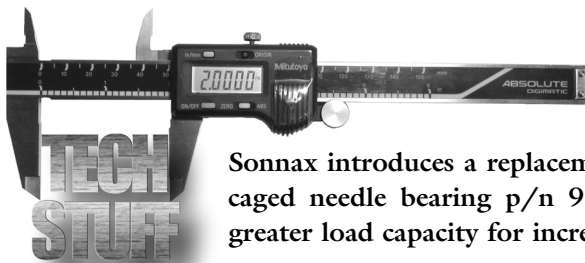

- For model years beginning with 2006 Dyna
- All 2007 Big Twin models

Part No.

HDNB0042

Cam Needle Bearing

Sonnax introduces a replacement full complement Timken® needle bearing for Harley-Davidson® caged needle bearing p/n 9215. The Sonnax **HDNB0042** full complement bearing provides greater load capacity for increased performance and reliability.
