

**Features & Benefits:**

- Precision machined
- Prevents forward clutch sealing ring wear in A4LD units
- Prevents overdrive sprag failure in 4R44E units
- Bi-metal material prevents wear

**Part No.**

**56000C-01**

*1 Stator Bushing*

**PART SUMMARY**

This Sonnax front stator bushing **56000C-01** will prevent converter and overdrive planet failure by replacing worn-out and poorly fitting standard aftermarket bushings.
