Torque Converter Parts Catalog 2000

FD-RK-9:

- Should be add to your catalog following page 241.

This kit **FD-RK-9** allows builders to fabricate a high performance racekit for C4 11". The kit utilizes a GM 245mm core because these cores are widely available, inexpensive and there is a wide range of stall speeds that can be achieved using them. Great for the C-4 Mustang swap. Aod to the C-4.
