36429E

Race Only, Uses Stock OEM Bearing

Part No.

36429E-K

Race & Stock Bearing Kit

PART SUMMARY

The OEM overrun clutch inner race and accompanying thrust bearing becomes worn and needs replacement. Replace this assembly with Sonnax kit **36429M-K**. This kit fits C6 and E40D late model units ('89-Up).

INSTRUCTIONS

1. Remove worn race and bearing and replace with new race and higher capacity bearing.
