Note: Roller Race

JAGM-HR-2 Ø

Outside Dia: 1.863"

Overall Height: .882"

Internal Spline: 27

Tooth

Note: Sprag Race

Please Refer To Our

1999 Torque Converter Parts Catalog Update

JAGM-HR-1 & JAGM-HR-2:

- Should be added to the stator race section of the high performance parts list on page 220 of the 1999 Sonnax Torque Converter Catalog Update.

JAGM-HR-1 & JAGM-HR-2 inner stator races are not a direct OEM replacement. JAGM-HR-1 & JAGM-HR-2 are used to adapt JATCO (RE4R01A & RL4F02A) converters to GM transmissions for performance applications.
