- Thrust Washer

#### PART SUMMARY

The **GM-RK-14** racekit provides torque converter builders the components for producing low-cost, high performance converters for the Powerglide, 350 and 400. The kit includes a pilot adapter, mounting ring with bolts, thrust washer, front cover bushing, 30-tooth turbine hub and butt mount impeller hub. Utilizing these components allows the use of the OEM GM 245mm front cover.
