TO-N-8K

Turbine Side Bearing Kit

Prepackaged Quantity: 1 Unit

Sonnax has updated TO-N-8K, a direct replacement for the OEM bearing assembly and race. This kit is designed for the Aisin Warner 55-50SN, and goes on the turbine side of the stator.

Update: The open bearing and associated cupped race has now been replaced by the partially enclosed bearing **TO-N-13**, which has recently become available.
