

Part No.**77731-08***1 Oil Deflector**Also Available:***Part No.****77731-02K***Pinion Pin Kit***Part No.****77731-RK***Complete Planetary Kit***PART SUMMARY**

Sonnax now offers the Oil Deflector for the 4L60-E rear planetary assembly. This is ideal for those shops who want to rebuild and update their planets or for companies who specialize in hard parts rebuilding. This oil deflector, along with the Sonnax Pinion Pin kit (77731-02K) allows the earlier '82 to '84 planets to be updated to the later '85 and up oil slinger style. Also offered is a complete rebuild kit which includes the Pinion Pins and Gears, Rollers, Round Washers and Bat-wing Washers (77731-RK).
